4. (Confidential - JGO) Received a call from Mr. Jay Sourwine, Chief Counsel, Senate Internal Security Subcommittee, who asked if there would be any objection if the Subcommittee were to invite Anatoly Kuznetsov to come to this country to talk to the Subcommittee. I thanked Mr. Sourwine for his call and advised that I would relay his query.

5. (Secret - JGO) In response to his request met with Representative Olin Teague (D., Texas), Chairman, House Veterans' Affairs Committee, who advised that information he has received through Army and Air Force channels, among others, has interested him in the possibility of ransoming American POW's through South Vietnam contacts. He had requested such information as can be provided at this time concerning existent programs in this area.

6. (Secret - JGO) Met with Mr. A. L. Tarabochia, Senate Internal Security Subcommittee, and delivered to him some of the material received from debriefing of [REDACTED] The furnishing of this material was agreed upon in the meeting of 25 July.

5. (Internal Use Only - JGO) Received a call from Miss Alice Wahler, assistant to Representative William Cramer (R., Fla.), who is interested in employment opportunities overseas in the broadcast field for a young constituent friend of Representative Cramer. Since the young man, although ostensibly well qualified in the broadcast field, has little or no college training, I advised that he probably would have difficulty in locating overseas employment with the Federal Government in any capacity other than broadcasting but that we would be pleased to provide employment forms for the constituent's use. Miss Wahler thanked me but indicated that she did not believe it would be necessary to forward the forms at this time.

7. (Internal Use Only - JGO) Talked to Mr. [redacted] representative of [redacted] and advised that the Agency will be following up later in the fall on the earlier meeting with [redacted] and I did not see anything further he need do at the present time. I also advised that due to vacation schedules and the absence of any present Agency needs my best estimate is that it would be a month before he may expect further contact by the Agency.

4. (Confidential - JMM) Discussed with Boyd Crawford, Staff Administrator, House Foreign Affairs Committee, Representative Zablocki's request for a briefing of his Subcommittee on National Security regarding the Soviet MIRV program. Crawford checked with Chairman Morgan who agreed with our suggestion that the briefing be done by Mr. Duckett on an "unofficial" basis with no transcript or publicity. I thereupon met with Representative Zablocki and Subcommittee Staff Consultant Jack Sullivan, who agreed to this procedure and explained details which they wanted covered. (See Memo for the Record)

25X1 5. (Secret - JMM) At the Director's request, called Robert Michaels, House Appropriations Committee staff, to make a date for the Director to meet with Chairman Mahon later this week. Michaels will call back.

5. (Confidential - GLC) Talked with Boyd Crawford, Staff Administrator of the House Foreign Affairs Committee, regarding the call we received from Jack Sullivan, Staff Consultant, Subcommittee on National Security Policy and Scientific Development of House Foreign Affairs Committee, asking that the Director brief Representative Zablocki's Subcommittee on the Soviet MIRV program. After checking with Chairman Morgan, Crawford advised that the Chairman endorsed Zablocki's request for a briefing. (See Memo for the Record for details.)

6. (Confidential - JMM) Called Frank Slatinshek, Assistant Chief Counsel, House Armed Services Committee, and informed him of the request to appear before the Zablocki Subcommittee. Slatinshek said he personally couldn't see how we could avoid complying, but thought Chairman Rivers and Chief Counsel Blandford should be informed in advance in case they have any strong objections. Since Rivers and Blandford were out of town for the weekend, Slatinshek agreed with my suggestion that we explain to Crawford that we normally discuss sensitive matters of this kind only before, or with the concurrence of, our parent Subcommittees and that therefore we want to check it out with Chairman Rivers before making a firm commitment.

7. (Secret - JMM) Mrs. Laird, Secretary to Senator Stuart Symington, called on behalf of the Senator to say he wanted to see me at 2:15 on Monday 28 July. (Mrs. Laird was not clear on whether this had to do with the briefing the Senator [redacted])

8. (Unclassified - GLC) Mr. Goodwin advised that according to a television report on hearings conducted by a Subcommittee where both Senators Tydings and Mathias were present, it was stated that some of the pollutions of the Potomac River was being blamed on the CIA and the Pentagon. This apparently was a statement by a witness.

9. (Secret - GLC) Hand carried to Jay Sourwine, on the staff of the Senate Subcommittee on Internal Security, FBIS material containing the statements of officials of some of the lesser known Bloc countries at the Communist Party Conference. I also left with Sourwine classified and unclassified material on Soviet leaderships. I was quite specific with Sourwine concerning the sensitivity of this material and he agreed to treat it in accordance with the caveats I laid down.

I also advised Sourwine that we would be providing him with some of our material on "take" from our briefings of [redacted] in the next few weeks.

9. (Unclassified - CD) The office of Senator Wallace F. Bennett (R., Utah), called requesting two copies of the CIA phone directory for their use. I told them that the directory is classified. They understood and thanked me.

10. (Secret - GLC) Talked with Bill Woodruff, Senate Appropriations Committee staff, and Bob Michaels, House Appropriations Committee staff, about the matter of funding of the Radios pending the approval of our appropriation. They advised that it was their feeling that this should be accomplished by month to month contingency withdrawals from the reserves. These withdrawals would be replaced when action is taken on our appropriations. Mr. John Clarke, OPPB, has been advised and we will draft appropriate language to accomplish this. 25X1

12. (Secret - GLC) Made arrangements for J. Sourwine, Chief Counsel, Senate Subcommittee on Internal Security, and two of his associates in the Subcommittee staff to have a conference with [redacted] tomorrow 25X1C afternoon. [redacted] WH Division, and I will also be present.

13. (Confidential - JGO) Met with Lawrence Baskir, Staff Director, Senator Ervin's Subcommittee on Constitutional Rights, and received from him a copy of the transcript of the Director's appearance before the Subcommittee on Tuesday, 22 July. It was agreed, unless other considerations are interposed later by Chairman Ervin, that this copy will be retained by the Agency and at such time as corrections are completed they will be transferred to the Subcommittee's master copy. No deadline was set for return of Agency corrections. On the matter of deadline, Mr. Baskir noted partially in jest that "since the Agency is obviously reluctant to publish the hearing" he would not set a date on his own authority.

I talked to Mr. Baskir later in the day concerning the classification of the transcript. Mr. Baskir advised that he would stamp the Subcommittee's copy "Confidential" and treat it as classified material. He also advised that he is ordering additional copies for the Subcommittee and will try to provide two additional copies for Agency use.

25X1C 1. (Confidential - GLC) J. Sourwine, Chief Counsel, Senate Internal Security Subcommittee, called to advise that in his latest advance report Paul Scott talks at great length about information provided by [redacted]

[redacted] Sourwine commented that the way this fellow was talking to the press it appeared that there won't be much left for the Internal Security Subcommittee. I told him that I hoped to have something for him concerning this [redacted] today or tomorrow. 25X1C

Sourwine also said that the Subcommittee plans to subpoena members of the Southern Students Organizing Committee in the next few days. He said he had information concerning this group's conference at Austin in the early spring to the effect that CIA was involved with this group. Sourwine merely wished to alert us to their plans. I have contacted [redacted] C/CA Staff, who is looking into this. 25X1A

2. (Unclassified - GLC) Joanna Daily, on the staff of Representative Paul McCloskey (R., Calif.), called and requested unclassified information on Guatemala. I referred Miss Daily to the Library of Congress and the Department of State.

3. (Confidential - JMM) On Saturday, 19 July, tried to call Senator Henry M. Jackson regarding Senator Cooper's request for information on Y-class submarines but found the Senator was on the west coast and would not return until Monday evening.

4. (Confidential - JMM) On Saturday evening, 19 July, discussed with Miss Fosdick, Staff Director of Subcommittee on National Security and International Operations, possible press speculation about material we had provided Senator Jackson re Soviet leadership situation. It was agreed that we would answer any queries by saying that as a member of the CIA Subcommittee the Senator is occasionally briefed by Agency representatives on current intelligence matters but public statements by the Senator on Soviet leadership or any other matters are entirely his own and are not to be considered as necessarily reflecting Agency views. See Memo for Record.
